

WRITING CENTER TIP SHEET
Art History Response Guide

For this paper, you are asked to explore two works/the basis of two works, in a 3-4 page paper. A detailed review of each work should help you get started.

I. What are the main features that stand out from the work? What do they signify?

For question 1, you will be looking at two works of art, much as the same as the in-class exercise. Options 2 and 3 look at one artwork.

Name of work:	

II. Research component

If you choose option 2 or 3, you will be asked to describe the importance of the work in reference to Sumerian or Egyptian gods. Note information you gather on either of these topics, and list points in relation to the artwork.

Research point	

III. Visual Analysis and Comparison

Now, looking back at your two lists, write a 3-4 page response.

Look at your assignment sheet for the question, and be sure to use several specific examples from the notes you took above.
