

Scholarship Application for the Pre-College Summer Program – Summer 2010

**Deadline for Submission Extended: April 16, 2010**

Destination ART scholarships offer full and partial financial assistance for tuition and housing. Scholarships are based on financial need. The scholarship funding is made possible by grants from private individuals and organizations. Please be advised that we receive many applications for financial support and due to finite resources, not all requests can be fulfilled. Submitting an application does not necessarily guarantee a scholarship. You will receive a scholarship notification letter by May 16, 2010.

**The dates for this year Pre-College Summer Program are July 10 through July 31, 2010**
