Artwork by Margaurita Spears

**July 17 – Animals in Art
July 24 – Learning from the Masters
July 31 – V-room! Design a Race Car**

Animals in Art – Using paint, you will learn about the elements of color and become familiar with famous artists who use images of animals in their work. Create *fur-ocious* paintings of your favorite furry friends.

Learning from the Masters - Working in two-dimension, you will select artwork of the past to create your own masterpiece. You will use a variety of supplied art materials. Become the next Picasso!

V-room! Design a Race Car –Design the car of the future, while finding inspiration from the cars of the past. You will learn to modify existing car body types to develop your own car that might be in a future NASCAR race!

Instructor: Margaurita Spear holds a BFA in Painting and Art Education from Montserrat College of Art. She is a substitute teacher in the Danvers School District. She has designed lessons for online publications. Margaurita teaches mosaics and masterpiece painting at a summer camp each year. Her artwork is in oils depicting clustered and/or individual objects in still life arrangements.
