### Montserrat awarded \$2.6 million in financial aid to students this year

"My scholarship has been imperative in allowing me to attend the college-without it, I simply wouldn't be here. Montserrat has been the perfect choice for me."

- Rebecca Yankes '11

95% of Montserrat students receive financial aid.

### Montserrat transforms students

"Faculty gave me one-on-one instruction that I could not receive at a larger school. Montserrat opened up a whole new world in which I was able to completely study and create art."

- Catherine Tersigni '03 Traffic Coordinator, Redcoat Publishing

"I felt a tremendous amount of freedom to experiment with my work, to incorporate just the right amount of discipline. The variety of artistic backgrounds that faculty bring to the school is stimulating and influential."

- Giles Laroche '81 Children's book artist with more than 12 published books

More than 70% of Montserrat alumni polled report that they are working in the arts.

### Montserrat offers a rigorous environment for growth

"Every instructor really pays attention to every student's uniqueness. You can't get lost at Montserrat. You're held accountable and the bar is always being raised - instructors ask you to work past your comfort zone all the time. I am so thankful for everyone, everyone stuck with me."

- Karen Tusinski '98 Painter, Owner Tusinski Gallery

Montserrat's 12:1 student to faculty ratio ensures personal attention.

### Required professional internships prepare Montserrat students for life

"This internship has been the best experience of my entire college experience...extremely beneficial to anyone looking for a career in photo, design and business."

- Niki Michael '09 Principal, Niki Michael Design and Photography

50-70% of students have received employment offers from their internship sites since the program's inception in 2006.
