

2021 – 2022 Financial Aid Award Declination/Revision Form

By filing the Free Application for Federal Student Aid (FAFSA), the student becomes eligible for several different types of self-help aid. For example, the award may contain Federal Direct Loans. The student is not required to accept any of this aid. Should the student wish to decline any of the eligible aid, this form should be completed and returned to the Student Financial Services office. Alternatively, a student may decide to send an email to sfs@montserrat.edu and specify exactly what aid they wish to decline and in what dollar amount.

We must receive this notification in writing and from the student directly as they are the borrower. Notification from a parent does not satisfy federal regulations. Should a student decline all or any portion of their federal loans, the student can reinstate the loans at any time before the end of the school year by submitting that request in writing.

**** If you do not return this form, we will assume that you accept your financial aid offer including the federal loans. ****
