

Independent Study Agreement

An independent study is intended to be advanced self-directed work in the student's field of study and supervised by a qualified instructor. The student is responsible for completing this form in consultation with the instructor who will be awarding credit. The student must obtain all the required signatures and return the completed form to the Registrar. Students enrolling for an independent study must be in their junior or senior year. The deadline to submit independent study forms is the last day of classes of the term prior to the semester indicated for the independent study.
